

## PUBLIC NOTICE

PERMIT APPLICATION: NRS 08.080

**APPLICANT:** Carl Hanover  
199 Lakeshore Dr.  
Harriman, TN 37748  
865-399-1492

**LOCATION:** Watts Bar Reservoir/Emory River  
Roane County  
Site 35.91582°N, -84.50375°W

**WATERSHED DESCRIPTION:** Project is located in the Emory watershed (HUC #6010208). The Watts Bar Emory River Arm has been assessed and is supporting for: Domestic Water Supply (Supporting), Industrial Water Supply (Supporting), Fish and Aquatic Life (Supporting), Recreation (Non-Supporting), Irrigation (Supporting), Livestock Watering and Wildlife (Supporting). The land usage surrounding the site is a lakeshore residential community.

<http://www.state.tn.us/environment/wpc/ppo/arap>.

**PROJECT DESCRIPTION:** The applicant proposes to stabilize 795' feet of shoreline using rip-rap and/or gabion stone baskets. Stone rip-rap would be placed along the bank from an elevation of 739 feet to an elevation 745 feet; normal summer water elevation is 741 feet. The applicant also proposes to install a water intake device on a boat dock (1.5 horse power) for minor water withdraws, and improvement/repair to an existing boat dock.

In accordance with the Tennessee Antidegradation Statement (Rule 1200-4-3-.06), the division has determined that the proposed activity will not result in degradation to water quality.

**USGS TOPOGRAPHIC QUADRANGLE:** Harriman

**PERMIT COORDINATOR:** Benjamin Brown

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

Tennessee Department of Environment & Conservation  
Division of Water Pollution Control, Natural Resources Section  
7th Floor L & C Annex  
401 Church Street  
Nashville, TN 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
